COMPLIMENTARY

LIST

OF

GOVERNMENT TANKS IN THE DISTRICT

OF

AJMER-MERWARA.

P R E F A C E .

The last official List of Tanks, the property of the Government, in Ajmer-Merwara was that prepared by Mr Whiteway in 1877. Since then several new tanks have been built, and the names of others by which they are commonly known have changed, and the spelling of the names of others shown has also been changed in Mr Lupton's Settlement of 1910.

This list of all tanks, which are now maintained by the Public Works Department from Imperial Funds, has been brought up-to-date and tabulates each tank from a revenue point of view.

The names of the tanks here given have been adopted in the "Notes on Tanks" compiled in this office, which locates and describes each tank from an engineering point of view.

ABU,
Dated the 26th June, 1916. }

H. C. SANDERS,
Superintending Engineer, Rajputana.

TANKS CLASS "A" IN AJMER TAHSIL [according to Mr. Lupton's Settlement of 1910].
